Explosion:	Not considered to be an explosion hazard.
Fire Extinguishing Media:	Water or water spray. Neutralize with soda ash or slaked lime.
Special Information:	In the event of a fire, wear full protective clothing and NIOSH-approved
-	self-contained breathing apparatus with full facepiece operated in the
	pressure demand or other positive pressure mode.

Section 6. Accident Release Measures

General Information:Use proper personal protective equipment as indicated in Section 8Spills/Leaks:Wear respirator, chemical safety goggles, rubber boots and heavy rubber
gloves. Absorb onto vermiculite and hold for waste disposal. Ventilate area
and wash spill site after material pickup is complete.
